

Jannet/Jennett/Jeanette BENNETT died 16 June 1835 Memorial 13

Jannet was born on 29 May 1831 and, according to the records¹ was baptised on the same day at St Sidwell's Exeter.

Her parents were William and Mary Bennett. They are shown as Anglicans living in Paris Street, Exeter. William's occupation is given as Hellier (this was a slater or tiler).¹

Jannet died on 16 June 1835 aged 4 years old.

It is unlikely that William and Mary had any further children. The 1851 Census² shows them living at 47 Paris Street – no children shown at the

address. William was working as a Plasterer employing two men. By 1861 they had moved to 10 Clifton Road and William is described as a Slater. It has not been possible to identify the dates of their deaths as there are too many people with the same names around possible dates.
